

Bring a Girl to CRE Day

NOVEMBER 6

CREW
NETWORK 

Bring a Girl to CRE Day is an initiative of Commercial Real Estate Women (CREW) Network, a professional, global organization that has been advancing and supporting women in commercial real estate for 30 years.

Join fellow commercial real estate leaders on Nov. 6 **Bring a Girl to CRE Day**

Held on the same day as Take Our Kids to Work Day (Canada), **Bring a Girl to CRE Day** is a day to mentor girls and introduce them to careers in commercial real estate.

Inspire the next generation of leaders by inviting them to participate in your daily work schedule. Educate them about commercial real estate careers and how each role contributes to the overall success for the company and the communities they serve.

Register your participation and download planning resources at crewnetwork.org
